**Objectives of the Arizona  
Archaeological Society**

1. Foster interest and research in the archaeology of Arizona;
2. Encourage better public understanding and concern for archaeological resources;
3. Protect antiquities by discouraging exploitation of archaeological resources;
4. Aid in the conservation and preservation of scientific archaeological data and associated sites;
5. Serve as a bond between the professional and the avocational non-professional;
6. Increase knowledge and improve the skills of the members in the disciplines of archaeology;
7. Participate in investigations in the field of archaeology, and put the information so obtained into publishable form;
8. Publish a journal and such monographs as the Publications Committee deems appropriate.
